

Greetings from Stephen Crawford, Member of the Provincial Parliament

On behalf of the Government of Ontario and the Oakville community, I am delighted to offer my warmest personal greetings to all the singers and volunteers participating in the Oakville Vocal Arts Festival.

This festival offers a special opportunity for singers to share their love of music and reflect the spirit of our community. Oakville has a vibrant arts community comprised of many talented singers of whom we are immensely proud.

Please accept my best wishes for a wonderful festival and I look forward to attending upcoming concerts.
